

# An Evening to Treasure

A free prom event dedicated to celebrating teens and young adults affected by disability.

Started by a 17-year-old girl, the hope of An Evening to Treasure is that all teens and young adults, regardless of disability, would have the opportunity to experience the joy that prom has to offer. This prom provides dresses, tuxedos, hair and makeup, crowns and tiaras, limo transportation, photography, dinner, and everything else you could imagine at the perfect prom! A dedicated team of volunteers are working hard to bring this special event to the Fresno area on **May 1, 2020**. But, it can't happen without you!

Our team desires to give each guest the special treatment they deserve. We want to ensure that their prom experience is every bit as magical as any other. We hope you and/or your business might be able to support our endeavor to provide our guests with an evening they will treasure for years to come!

If you would consider contributing to this event, please fill out the sponsorship information below. All our sponsors will receive special recognition at the event (sponsor names and logo will be prominently displayed) and sponsor details will be included in the guest Treasure Bags.

In addition to financial support, we are also in need of the following resources:
